No. V. DIVISION, YEDATORE.

Notice is hereby given that sealed tenders will be received by the undersigned up to 5 P.M. on Monday, the 13th November 1916, for the supply of the undermentioned articles, for the use of the Chamaraja Channel Works, from the 15th December 1916 to the end of June 1917.

2. An approximate estimate of quantities required is given against each item in the list.

3. Tenders should be submitted on printed forms which may be obtained from the undersigned's office, and accompanied by a list in the form given below, showing the rates at which the different items specified in the list will be supplied.

4. The tender must be accompanied by a deposit of Rs. 100 superscribed "Tender for the supply of explosives for Excavation of Chamaraja Right Bank Channel," in default of which, the tenders will be rejected. The earnest money of the unsuccessful tenderers will be refunded.

5. The final acceptance of any tenders will rest with the Superintending Engineer, Cauvery Reservoir Works, who does not bind himself to accept the lowest or any tenders or assign any reason whatever, for the rejection of any tender.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board of the undersigned's office, and also intimated to him in the usual course. No enquiries regarding the acceptance or rejection of the tender will receive attention.

7. The rate of tender for each item shall include cost of delivery free on rails at Paschimavahini Railway Station, Madras and Southern Mahratta Railway Company.

8. Orders will be placed with the successful tenderer for the supply of explosives in two instalments, and the order in full must be completed within two weeks from date on which such an order is placed, failing which, the unexecuted portion of the order will be cancelled and order placed elsewhere, and the earnest money deposited by the successfu competitor forfeited as a penalty for the non-execution of the order in full.

9. In quoting rates the name of the manufacturer and the specifications should be given.
